Do not risk an expensive and stressful lawsuit. Comply with the law (SB1343) and train all your supervisors in this 2-hour session.

Sexual harassment training is mandatory by law for all organizations, but the most important goal is to create a safe and harassment-free environment for all employees.

This training session will review what constitutes sexual harassment (including sexual preference discrimination), violence at work, bullying in the workplace, and how to develop the skills necessary for a positive and safe work environment. Also, we will explain how to handle a complaint of harassment.

Visit BetterEmployees.Net to learn how your company can be better prepared.

Special Note: To encourage attendance, once again the association policy is to assess each member company the price of three registrations/dinner tickets, \$45.00, whether you use it or not. You will receive an invoice. Even if you can't attend personally, send a key staff member, perhaps a foreman, or other supervisors who can benefit from this event.
